It was great speaking with you. Your enthusiasm makes me confident that this year's promotion will be a huge success. As we discussed previously, there is only one date that you would have to provide and compensate local talent as an opening act for Club Benson & Hedges:

**Thursday, July 31	**Pieces of a Dream**	TBD
Saturday, August 2	**Groove Factory** (Dance Party)	TBD

Please sign below and fax this back to me to confirm that this is the correct understanding for your participation in the 1997 Club Benson & Hedges Program.

Let's speak early next week to discuss promotion and other program details. Thanks as always for your help and we look forward to a very successful program.
